

'TIS THE SEASON

Please join us for our

Extreme Christmas Makeover *Sunday, December 19th*

*at 1:00 pm
M1 Concourse
45 Speed Way, Pontiac, MI*

Join us as we head out to surprise three special families, who have recently lost their mom or dad, with an Extreme Christmas Makeover!

Santa and his giant sleigh will meet at the M1 Concourse before we head out to the families' homes. You can meet us at the M1 or on one of their front lawns along the way. Each family member will receive a massive refrigerator-sized box overflowing with gifts. From warm winter gear, to the latest and greatest in toys and electronics, our Extreme Christmas Makeover will provide a beautiful distraction from their tragic loss. At each stop, the kids will play with Santa, if not racing him on their new bikes, then launching snow balls at his fat belly. The Foundation will also present an Ed McMahon-sized check to each family to cover their groceries, basic needs, living expenses, and utilities, to get them through the winter months.

Adopt-A-Family for Christmas

For many, the holidays are a time of good cheer and family togetherness. For kids who have lost a parent, however, the holidays can be a harsh reminder of their tragic loss. For our new widows, the holidays often present a huge financial burden for their families who are unable to enjoy Christmas like they once did.

You can join Yatooma's Foundation For The Kids to help these special families through our Adopt-a-Family program. This allows you, our generous donors and sponsors, the opportunity to have a personal impact on a family. We promise that your own Christmas celebration will be better for it! Your children will surely leave with a refreshed perspective about the blessings of their own family, which all of us can otherwise too easily take for granted.

We have families of all sizes who would be so grateful for your assistance this holiday season. Whether you want to make a special Christmas for one child, or your workplace wants to come together to make a memorable Christmas for a family of seven, we are eager to work with you.

To sponsor or attend, visit us at forthekidsfoundation.org, email us at info@forthekidsfoundation.org, or call 888-987-KIDS.
